Welcome Walk

We had a wonderful opening ceremony for our School Community Garden followed by the Welcome Walk. The only thing that let us down was the weather! The garden will provide an amazing learning space for all the children in school and a fascinating place for the community to enjoy our beautiful village. The team of parents worked throughout the Summer to ensure the garden was ready in time for Monty Don to open it as part of the “Big Dreams, Small Spaces” television programme. We will let you know when it is due to be broadcast.

Website

A huge thank you to Mr Hunt for producing our fabulous new website. The address is the same as before www.stmaryshawkshaw.com. We are still adding information but it is worth logging on to keep up to date. We really appreciate the expertise and hours of work donated by Mr Hunt.

Harvest 2016

We are having our Harvest Service in St Mary’s church at 9.15am on **Monday 26th September 2016**. This year our theme is fruit and we would like the children in Class 1, 2 and 3 to bring tinned fruit. These donations will be given to the PORCH Project food bank to help local families in crisis. We are asking the children in Class 4 to bring fresh fruit in a traditional Harvest manner. Some of the older children will then deliver the fresh fruit to the Methodist Monday Club members in the afternoon following the service. Thank you for your support with this. It will be lovely if you could join us for the service in the morning.

Your sincerely,

Mrs Woodward
