ENGLISH

This term we will focus on joining hand-writing as well as continuing the structured reading activities, including comprehension exercises and guided reading. We will also be focusing on the Grammar and spelling skills required for the end of year tests.

Please continue to support your child as much as you can with home reading, encouraging them also to read a variety of books other than the school reading scheme.

This term includes work on traditional stories from other cultures. We are also hoping to take some of our learning outside the classroom, weather permitting!

MATHS

Maths concepts will include: -

- Comparing numbers using $<$ $>$
- Money
- Adding 2 digits numbers using a number grid
- Recognising multiples of 2, 5 and 10
- Rounding
- Measuring

SCIENCE

This term we will be learning about Animals (including humans), health and growth

TOPIC

Let's Go To China!

We will be finding out where China is and comparing British and Chinese Culture as well as looking at the importance of farming.
