

Year 1 Newsletter

Summer 2018

Welcome back after the Easter Break. It is lovely to see all the children back and ready to work hard throughout the final term. Please do not hesitate to ask if there is anything, you wish to know or if you need any help supporting your child at home. We will always do our best to help.

Year 1 Curriculum
Please refer to our Curriculum pages on the school website to find out more about what your children will be learning this term.

Homework

The children will have the following work to bring home:- A Home Reading Book, Spellings and Key Words. They are all doing brilliantly with their reading but we are keen to focus on phonics with the phonics screening check in mind. Spellings will be given out on Monday and tested during the following Monday. Other homework will be given as, and when appropriate. The children will be having PE lessons every week and should leave their kits in school. PE kits should be: A school PE t-shirt, blue shorts and pumps (for indoor PE) and a warm blue or black tracksuit and pair of trainers (for outdoor PE). Please ensure all kit is named.

This term Year 1 are looking at poetry, stories by the same author and writing recounts. Please continue to support your child as much as you can with home reading and practising writing and spelling tricky words. The children really enjoy reading a whole range of books as well as our school-reading scheme.

In Science this term, the children will be looking at materials and their properties.

In their topic work, they will be learning all about Space, solar systems and rockets.

Dates for your diary:
