Reading in Class 3

All children in Class 3 have a reading book and a reading record. If your child enjoys reading particular types/styles of books at home, this is to be encouraged and can be noted in their diaries.

We will continue to teach the children comprehension and reading skills through the weekly guided reading sessions.

The home reading books will continue to be sent home for you to share with your child/ren.

I understand it can be difficult to find quality time to share books, however, please do your best to listen to your child/ren read on a daily basis. It is essential to reinforce the skills they are being taught in school.

Thank you to all our parents for your continued support. If you have any questions, do not hesitate to come and see us.

The Class 3 Team.
